MINDTECK Bags Deloitte Fast 500 Asia Awards

Friday, February 18, 2011: Mindteck , a global Product Engineering and IT Services company bagged the prestigious Deloitte Fast 500 Asia and Fast 50 India Award 2010. This is for the third time in a row that Mindteck has featured both in fastest 50 companies in India and fastest 500 companies in Asia.

The Asia Fast 500 Award was handed over to Ramesh Ajjampur, Global Delivery Head, Mindteck on Thursday, February 17, 2011, at the Mindteck office by Mrs. Monisha Parekh, Partner, AERS, Deloitte Haskins and Sells.

Speaking on the occasion Ramesh Ajjampur reiterated Mindteck's commitment to its vision of growth through innovation and customer centricity. "We are happy to be recognized in Deloitte Fast 50 & Fast 500. Despite the surge and ebb in the market, Mindteck has been able to keep up its performance and deliver on its promises to our Clients, Employees and Shareholders at large. We are committed to walk along our vision to deliver technology excellence in our services and innovation in our approach."
