STATEMENT OF UNAUDITED STANDALONE FINANCIAL RESULTS FOR THE QUARTER ENDED JUNE 30, 2026

Notes :

- 1 The above statement of unaudited standalone financial results ('the Statement') of Mindteck (India) Limited ('the Company') for the quarter ended June 30, 2026, have been reviewed by the Audit Committee and thereafter approved by the Board of Directors in their meeting held on August 12, 2026.
- 2 These standalone financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 3 In accordance with Ind AS 108, Operating segments, segment information has been provided in the consolidated financial results of the Company and therefore no separate disclosure on segment information is given in these standalone financial results.
- 4 The Company amended the objectives of the Mindteck Employees Welfare Trust ('Trust') to include employee welfare activities, following the winding-up of the ESOP Scheme 2020 administered by the Trust, effective from November 12, 2024. As a result of this amendment, the Company has merged the financials of the Trust with its Standalone Financial Statements, effective November 12, 2024. During the quarter ended June 30, 2026, interest income of Rs. 9 lakhs (June 30, 2025 Rs.12 lakhs) earned on a fixed deposit held by the Mindteck Employee Welfare Trust, is included in the Other Income of the Company's Standalone Financial Statements. Income of the trust is designated for the benefit of the Company's employees.
- 5 **Exceptional Items**

On November 21, 2025, the Government of India notified provisions of the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as the "Labour Codes"). These Labour Codes consolidate twenty-nine existing labour laws into a unified framework governing employee benefits during and after employment. Among other changes, the Labour Codes introduce a uniform definition of wages and enhanced employee benefits, including those relating to leave. The Company has assessed the financial implications of these changes, which have resulted in an increase in gratuity liability arising from past service cost and an increase in leave liability, aggregating to Rs. 530 lakhs. Considering that the impact arising from the enactment of the new legislation is non-recurring in nature, the Company has presented this incremental amount as "Impact of new Labour Codes" under "Exceptional Items" in the Statement of Profit and Loss for the year ended March 31, 2026. The Company continues to monitor developments related to the Labour Codes and will evaluate any further impact on the measurement of liabilities pertaining to employee benefits, if applicable.

STATEMENT OF UNAUDITED CONSOLIDATED FINANCIAL RESULTS FOR THE QUARTER ENDED JUNE 30, 2026

Notes :

- 1 The above statement of unaudited consolidated financial results ('the Statement') of Mindteck (India) Limited ('the Company') for the quarter ended June 30, 2026, have been reviewed by the Audit Committee and thereafter approved by the Board of Directors in their meeting held on August 12, 2026.
- 2 These consolidated financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 3 The Mindteck Group's operations predominantly relate to providing software services to external customers and providing IT-enabled services to subsidiaries within the Group.
Since IT-enabled services are rendered to subsidiaries which are consolidated, the disclosure of a separate IT-enabled services segment as a separate primary segment is not applicable. The Group is therefore considered to constitute a single primary business segment and accordingly primary segment disclosures have not been presented.
Based on the "management approach" as defined in Ind AS 108 - Operating Segments, the Chief Operating Decision Maker also evaluates the Group performance and allocates resources based on an analysis of various performance indicators by geographical areas. Accordingly, information has been presented in respect of such geographical segments.
The accounting principles consistently used in the preparation of the consolidated financial statements are also consistently applied to record income and expenditure in the individual segments.

Commenting on the results, **Javed Gaya, Chairman of the Board**, said:

“We are encouraged by the stable revenue performance in the first quarter of FY 2026–27, supported by continued demand for our engineering and technology solutions across the storage, medical device, semiconductor, and analytical instrument sectors. This reflects the trust our customers place in our domain expertise and delivery capabilities.

Revenue remained resilient during the quarter; however, profitability was impacted by elevated employee costs, ongoing investments in AI and organisational capabilities. We are taking decisive steps to drive operating efficiencies, improve utilisation levels, optimise our delivery model, and support margin expansion going forward.

Our priority remains to convert revenue growth into sustainable and profitable growth. We continue to invest selectively in talent, technology and strategic capabilities that will support long-term value creation for our customers, employees and shareholders.”

Adding to the Chairman's comments, **Karim Dhanani, Chief Executive Officer** said:

"Revenue held steady in the first quarter, and our focus now is on converting that stability into stronger returns. We are investing in AI-led capabilities, strengthening our management bench and sharpening execution discipline — tightening utilisation, rebalancing our delivery mix and prioritising higher-value engagements. These actions are designed to rebuild margin momentum through the year while positioning Mindteck for sustainable, profitable growth."
