FOR IMMEDIATE RELEASE

MINDTECK SHOWCASES SMART HEALTHCARE SOLUTIONS AT ASSOCHAM’S INTERNATIONAL TECHNOLOGY SUMMIT 2015

Focus of Summit: ‘Leveraging Emerging Technologies for Sustainable Growth’

Bengaluru, India – November 24, 2015: Mindteck (India) Limited (BSE: MINDTECK), a global technology company, presented its smart healthcare solutions in New Delhi on 20th November at the *International Technology Summit 2015*. The event was organized by The Associated Chambers of Commerce & Industry of India (ASSOCHAM India), with official support from the Department of Electronics and IT, the Council of Scientific and Industrial Research (CSIR), National e-Governance Plan (NeGP) as well as other organisational bodies and Chambers. Speakers included Ministers from the Government of India, scientists heading R&D in the Medical Electronics & Health Informatics Division of the Ministry of Electronics and IT, NASSCOM officials and corporate leaders.

Dr. K V Krishnan, a Mindteck Vice President, provided an overview of the company’s smart city solutions, including its work in [smart healthcare](#) for remote patient monitoring. Mindteck is collaborating with an award-winning medical device leader on an FDA-approved device that attends to medical incidents from various locations and enables doctors to provide immediate assistance. The company has provided end-to-end solutions for a variety of medical device manufacturers for over two decades. Its Medical Quality Management System meets ISO 13485:2003 and ISO 9001:2000 requirements, conforms to 21 CFR Part 11 and 21 CFR Part 820 standards, and conforms to the ISO 27001:2005 information security standard. “We are proud that our quality standards have contributed to the success of this innovation and several others,” commented Mindteck Chairman and Managing Director, Mr. Yusuf Lanewala.

About Mindteck (India) Limited

Mindteck, a global technology company, provides Product Engineering solutions and Information Technology services to top-tier Fortune 50 – 1,000 companies, start-ups, leading universities and government entities worldwide. Its depth of knowledge and niche expertise in embedded systems and enterprise applications is complemented by dedicated Centers of Excellence in wireless design and storage testing. Mindteck has offices in the US, UK, Singapore, Malaysia, Netherlands, Germany, Bahrain and India, and four development centers: one each in the US and Singapore, and two in India (Kolkata and Bangalore). The company is listed on the Bombay Stock Exchange (BSE 517344) and is among a select group of global companies appraised at Maturity Level 5, Version 1.3 of the CMMI Institute’s Capability Maturity Model Integration (CMMI). It is also a Founding Member of ‘[The Atlas online](#)’ – an interactive tool that provides visualizations of growth opportunities for over one hundred countries worldwide – for the Center for International Development (CID) at Harvard University.
